Lt. Colonel Joseph O. Mauborgne,
Army War College,
Washington, D. C.

Dear Colonel Mauborgne:-

In accordance with our telephone conversation of last week I am sending you herewith photostatic copies of the papers and drawings relative to our method of enciphering facsimile transmissions. The arrangements for accomplishing our aims seem to me to be fairly satisfactory and I hope you will get a chance to look them over and let me know when we can get together.

Sincerely,

Incls.
