Dear Chief Williams:

I told Mrs. Friedman I would write you in regards of your purchasing a book for Mr. Friedman. Information concerning this book was taken from a 1955 catalogue, Number 752, "A Catalogue of Books" published by the Francis Edwards Ltd., located at 83, Marylebone High Street, London W. 1. The book desired is listed as Item Number 65, Shakespeare (W.)--Willoughby (E.E.) THE PRINTING OF THE FIRST FOLIO OF SHAKESPEARE; facsimiles, wrappers, 1932, priced at one pound five shillings.

It will be very much appreciated by Mr. Friedman if you will do this for him, and he will remit fully for all expense.

Mr. Friedman is progressing as well as can be expected but it will be approximately two months before he will be allowed to return to work.

Sincerely,

KAY NOXTINE
