- c. Two qualified Electronic Engineers, G5-12/13 grade level with previous ELIMT analysis and/or collection experience,
- d. One qualified Electronic Engineer, GS-13/14 grade level, with previous CIA KLINT analysis or collection experience, for assisting in the preparation of specialized ELIMT tasks, technical support and guidance. Assignment of CIA personnel for this function is essential for the necessary MSA/CIA collaboration in effecting optimum management of these resources.
- 2. With respect to the positions noted in paragraph 2s. above, both presently assigned under previous agreements are considered highly desirable for the proposed assignment. Regarding the positions noted in paragraph 2c. above, it is suggested that also presently assigned, would be considered a most satisfactory selection for assignment to one of the requested billets.

4. Although the references pertain to the NSA external support requirements for Fiscal Year 1962, it is requested that the foregoing personnel amendments be made effective with your concurrence.

M/R: In accordance with the basic agreement wherein CIA would furnish professional personnel to assist MSA in its COSA-5 efforts, a re-evaluation of the situation has been undertaken to up-date MSA requirements. The original contribution by CIA was emitted in the orderly transition of the MTPC to MSA centrol. At this time, through a re-assessment of MSA needs, it has been determined that CIA professionals would be requested only to assist in operations involving a CIA interest. These requirements have been discussed and approved at the working level by of CIA Present correspondence seeks formal approval. Coordinated with COSA (Mr. Conley), PMOD-Ob (Mr. Kirby), COSA-5 (Mr. Libbert).
