~~TOP SECRET ULTRA~~

From: Bangkok (SIAM)
To: Tokyo (AUTUMN (Road, General Affairs Department))
Date: June 1945
JAS

Sumit Sato
along with others
on file in department
Kaffee Me
739

There are indications that recently both England and America have been working on the solution of Japanese codes. Their hands seemed to have even reached into the telegraph offices in this country. Therefore, I feel that it is vital that the Army, Navy, and (? Foreign Office ?) change their codes in general, and also that they construct special difficult codes for ultra-secret use and distribute those to the important places.

For your reference.
