

Boris: Has the book for my Philishaver
 come in yet & if so, how much?
 I loaned your copy of the
 biography of K.W. Hagelin to
 Carole, having asked her to
 translate just the chapter headings.
 I must call her & see if she has
 those ready.

I have looked over again the
 brochures on Cx4 C52 & the third
 one. I still hold the same opinion.

The book on the work of
 Carl Fabergé continues to be
 of considerable interest.
