MEMORANDUM

From: Navy Member, USCIBEC
To: Executive Secretary, USCIB
Subj: NSASAB report; deletions from
Ref: (a) USCIB 3.5/5

1. It is considered that this report does not adequately survey the potentialities of COMINT and that the emphasis as placed on the various phases of the problem renders the conclusions questionable. In view of this the Navy Member, USCIBEC feels it impracticable to indicate other than the following specific deletions in response to reference (a):

- a. Page 13, second sentence
- b. Page 26, fifth sentence
- c. Page 38, second paragraph
- d. Page 42, entire section headed "Delivery of Intelligence Information"
- e. Page 43, fourth sentence under "Discussion"

2. It is recommended that, regardless of deletions, the covering letter stress that the report is not intended to reflect the views of USCIB and that it is forwarded only as a matter of interest and for study.
