1 3 APR 1954

Professor Saunders Maclane Bekart Hall University of Chicago Chicago 37, Illinois

Dear Professor MacLene:

In a provious letter to you, it was stated that, subsequent to the 20-21 April meeting of the Hational Security Agency Scientific Advisory Board, the pencl chairmen, who are also members of the Board, will be able to confer with you on matters of pencl organimation and future activities.

We are now scheduling a joint meeting of all three penels and their chairmen on 20-21 May 1954. During the marning of the first day, all the necessary administrative details will be necessary in the first day will be devoted to acquainting you with the highlights of the organization and its staff. The second day, 21 May, will be devoted to a detailed presentation and discussion of some of our technical problems and to plans for subsequent penel netivities.

It is sincerely hoped that you will be able to attend the meetings on both these days.

If you will let up know that you plan to attend and the mode of travel you prefer, I will have the necessary travel orders sent to you.

Sincercly,

WILLIAM F. FRIEDMAR Executive Secretary MEA Scientific Advisory Board

M/R: Announces joint meeting of Panels of NSASAB, and invites attendance of members.
